# ACCESOIRES CATALOGUE

This catalogue is intended as a supplement to our subscription catalogue. While it was not initially our focus, we have noticed that our clients also required various accessories related to the preparation of tea and coffee.

In case you miss certain accessories you are interested in but which are not present in this manual please let us know so that we could investigate this and add to our catalogue. Also in case you have any further questions or remarks please contact us as we are always there for you.

We wish you a long an healthy life in which you get to enjoy lots of tea!

# KETTLES AND WATERCOOKERS

Teapot - Meng	Id: A1, Price: 45eur
	<p>The Meng teapot is the green sister of the Guangzhou teapot. This teapot is particularly recommended if you are looking for a little more color and decoration, especially the nightingale catches the eye. It is not only suitable for making tea, but also as a characteristic appearance in the kitchen or living room.</p> <p>Traditional cast iron teapots are becoming increasingly popular because of their appearance, of course, but also because of their durability. They are indestructible and are also surprisingly easy to clean and require little maintenance.</p> <p>This teapot has a capacity of 0.65l.</p>
Teapot - Guangzhou	Id: A2, Price: 45eur
	<p>This heavy and cast iron teapot is a unique appearance in European living rooms, it is therefore not only suitable for making tea but also as a characteristic item in the kitchen or living room. It is decorated with a dragonfly, which in China symbolizes light and transformation.</p> <p>Traditional cast iron teapots are becoming increasingly popular because of their appearance, of course, but also because of their durability. They are indestructible and are also surprisingly easy to clean and require little maintenance.</p> <p>This teapot has a capacity of 0.8l.</p>

**Teapot - Classic English****Id: A3, Price: 37eur**

The classic English silhouette of this beautiful ceramic teapot makes this item a timeless companion for every day. The bulbous, round shape in combination with the slim spout creates a stylish look full of charm and character. With a capacity of 1.0 l, the pot is ideal for preparing various tea specialties. The bright, fiery red colour makes the item an eye-catcher and puts you in a good mood. Functionality and timeless product design in one. A must have for all lovers of English tea culture!

**Teapot - Cubism****Id: A4, Price: 45eur**

Whether in fashion or living - graphic patterns and geometric shapes can be found everywhere at the moment and are absolutely trendy. The design language of this beautiful ceramic teapot picks up on this and is therefore up-to-date. The chosen colours: gray, powder blue and black are based on current colour trends and thus make this teapot an all-round contemporary item. The fine gold plating also ensures a shiny look. With a big filling capacity of 1.9 l, the teapot allows tea to be enjoyed without frequent re-brewing.

**Teapot - Patricia****Id: A5, Price: 45eur**

This timeless and successful teapot is delighting many customers for over 20 years. The warm red and orange colours of the beautiful patchwork design exude a cozy feeling. Different surface finishes such as the shiny gold plating and the vivid dabbling technique provide visual variety and thus create an exclusive product look. An evergreen and absolute highlight for every product range. The large teapot has a filling capacity of 1.5 l and is therefore suitable for enjoying tea without frequent re-brewing. Each piece is hand-painted and thus one of a kind.

**Teapot - Filou****Id: A6, Price: 45eur**

This beautiful and timeless decor has been one of our bestsellers and is now a classic that should not be missing in any assortment. The design language is based on the style of well-known artists. In combination with the puristic depiction of the black cat on a blue background, this creates a unique product look with recognition value. Fine tendril elements and gold-plated highlights give the item finesse and exclusivity. The large teapot has a filling capacity of 1.5 l and is therefore suitable for enjoying tea without frequent re-brewing. Each piece is hand-painted and thus one of a kind.

**Teapot glass****Id: A7, Price: 45eur**

This is a classic in our assortment. The round shape of this fine glass teapot gets a special twist by its flattened sides. This is practical too, as it makes a space-saving storage of the teapot possible. A high quality, lasered stainless steel filter and lid are included with delivery. The teapot is suitable for the preparation of approx. four mugs of tea.

**Teamaker/French press****Id: A8, Price: 39eur**

This type of maker is also known as a French press and is equally suitable for preparing coffee and tea. The coffee powder or tea is poured into the still empty maker and poured over with water only the infusion is drunk and leaves / powder remain in the lower area.

Tip: When preparing coffee with French presses, a medium-coarse grind is recommended.

**Teaset - Yamina****Id: A9, Price: 55eur**

Yamina is an elegant Japanese porcelain tea set with a bamboo plan. The tea set consists of a teapot (0.45l) and two cups (0.1l).

**Watercooker - 4 temperatures****Id: A10, Price: 85eur**

If you drink tea regularly, it is advisable to purchase a tea cooker that facilitates this better. With this kettle you are well supplied, it contains its own filter and includes four settings to be able to set different temperatures (70°, 80°, 90° and 100°) depending on the tea and in addition, it also includes a setting to keep the water warm.

This kettle has a capacity of 1.7l and a power of 2200W.

# TEAMUGS AND CUPS

Cup - Amalia	<b>Id: A11, Price: 9eur</b>
	<p>This ceramic mug has a lively character with a floral décor, but slightly more modest than the blue variant. Ideal for a happy tea moment. It has a capacity of 0.4l.</p>
Cup - Amalia (Blue)	<b>Id: A12, Price: 9eur</b>

# STORAGE TINS

**Tin - Classic**

**Id: A23, Price: 9eur**

These beautiful retro storage tins have the dimensions 6.5 cm x 9.5 cm x 16.5 cm. Ideal for larger quantities of coffee or tea of more than 200g. Made in Italy.

**Tin - Woods**

**Id: A24, Price: 4eur**

Two friends, named Fritz and Ferdinand walk side by side, holding their hand. They stroll along, enjoy lives best and then sit down to take a rest. This modern and outstanding design receives a pretty stamp-print optic by its Linocut style. Within this, the red cheeks of the bear and fox set a fine highlight. The beautiful matt tin builds a perfect frame to make this design shine. Its dimensions are 7.3 x 7.3 x 10 cm.

Tin - Carla

Id: A25, Price: 4eur

Who's buzzing around here? The little bee Carla flies from blossom to blossom to collect golden nectar and pollen. The cheerful design in bright honey yellow spreads joy and positive energy. Hobby beekeeping is very trendy and topics such as biodiversity are on everyone's lips. So this design meets the spirit of the times. The beautiful shape of the tin with its modern interpretation of a slip lid is given a special touch by the matt surface finish and the lovely embossing. A delight for all nature lovers and bee fans.

Its dimensions are 7.3 x 7.3 x 10 cm.

Tin - Taki

Id: A26, Price: 4.5eur

This Japanese tin is decorated with fine Japanese paper (washi) which creates an overall exclusive optic. The fresh shape differs from other Japanese tins and thus makes this item a stand out. Decorated with a two assorted design, showing patchworks of traditional Japanese flower- and decor elements a must have for all Japan lovers. Lid and tin rim show a bit of black, shiny tinplate. In contrast with the matt paper finish a highlight for the eye and an interesting material mix. It has a height of 10cm and diameter of 7.5cm.

# STAINERS AND BAGS

**Strainer (7cm)**
